Security Training/Orientation

Formal sessions devoted to campus security policy and procedures are included as part of the orientation schedule for all incoming students. Each student will receive a copy of the Student Handbook, Safety & Security Manual, and General Appendices, which includes this policy and statistical statement

How to report a Crime

The victim, witness, or employee in charge determines if the school has a police or medical emergency. As appropriate, you should contact emergency personnel at "911". ALL crime reports should also be reported to AOMA's Facilities Department 512-492-3079

Reporting Non-Emergency Occurences

For non-emergency assistance contact the AOMA Facilities Department, 512-492-3079 or the Austin Police Department at "311", as appropriate.

AOMA's Safety & Security Manual contains the school's security policies including emergency response, evacuation procedures and timely warning. This report is posted on the CAMS student portal, on the staff login page on the AOMA website, on bulletin boards around campus, and in the Admissions office.
