Application Checklist: DAOM Program

Applicants who meet the admissions requirements will be considered for admission upon submission of the following material to the AOMA Admissions Office:

◊ Completed application form *(online at www.aoma.edu/prospective-students/online-application)*

◊ Official college transcripts sent directly from previous college(s) attended to AOMA's Admissions Office

◊ Personal statement of at least 500 total words addressing *all* of the following criteria:

 ◊ No less than 250 words to include:

 • Description of your most difficult interaction or communication in your professional career

 • Explanation of how you approached this difficult interaction and how the situation was resolved

 • Description of how the interaction influenced your approach to difficult situations

 ◊ No less than 250 words to include:

 • Evidence of interest in this clinical specialty area

 • Description of plans for future scholarly work in the field of Chinese medicine

 • Description of plans for future professional development and leadership in the field of Chinese medicine

◊ Current resume, outlining educational and professional development

◊ Two letters of reference sent *directly* to AOMA from instructors, employers, and/or collaborators who know the applicant and the applicant's skills and ability to perform doctoral level studies.

 ◊ Letters must be signed by the author and can be submitted via AOMA's electronic submission system *(see online application form)*, or by mail or fax. If faxed, letters should be printed on letterhead of author. AOMA does not accept unsigned letters of recommendation submitted by direct email.

◊ Copies of professional licenses or certificates held by applicant

◊ Two passport-sized photos

◊ Nonrefundable application fee of $75 *(payable online or by check to "AOMA")*
