Job Description

POSITION: Acupuncture Model for once-a-term OSCEs
SUPERVISOR: MAcOM Program Director, Lesley Hamilton (Lhamilton@aoma.edu)
SUPERVISES: N/A

GENERAL DESCRIPTION: Part-time, occasional
- Part-time, occasional position
- Occurs on all 2012 exam dates: March 25, July 1, September 2, December 2 (all Sundays):
- Acupuncture models are live models for the once-a-term 2nd year and exit practical exams (OSCE: objective structured clinical exams).
- Acupuncture models will have a number of treatment techniques and other skills demonstrated on them. These will included but are not limited to needle insertion and removal, point location stickers applied, cupping, gua sha, moxa, etc.
- Models may also be used to demonstrate TCM and biomedical physical assessments such as palpation, range of motion, blood pressure measurements, etc.
- Models do not speak during the examination session, but may be asked to answer examiner questions.

DUTIES:
- Be available all day on exam dates.
- Arrive 15 minutes prior to first modeling session on the exam date.
- Wear loose fitting clothes; be willing to wear gown for access to back or chest/abdomen.
- Follow all instructions of examiner and other personnel.
- Do not assist, instruct, or speak to the examinee.
- Answer any questions asked by examiner.
- Willingly allow demonstration of designated techniques on you.
- Maintain quiet and passive behavior during examination.

MINIMUM REQUIREMENTS:
- Must be currently enrolled student at AOMA, in good academic and financial standing, and eligible for Federal Work Study
- Demonstrate professional demeanor.
- Maintain confidentiality of tests and test-takers.
- Demonstrate work ethic (integrity, punctuality, confidentiality).

PHYSICAL REQUIREMENTS
- Be able to sit in a chair, stand up, and lie down on treatment table as needed for the demonstration.
- Be able lie prone or supine for up to 25 minutes.
